# Paintbot overview video

by Alex | No Comments

Some people contacted me after the hackaday article ( <https://hackaday.com/2020/02/22/paintbot-does-the-art-for-you/> ) and the maker update video ( <https://www.youtube.com/watch?v=s-SmFTajHXU> ) if I could do a little overview over the paintbot. I never tried to do this before so this is how it turned out:

Paintbot overview and explanation of the painting CNC machine
